

Upper Key Stage 2— The Americas Pt 2. Spring 2nd 2024

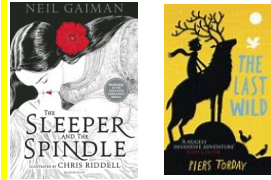

Week 1:

Week 2:

Week 3: Science Week

Week 4:

Week 5:

Week 6:

Session 1: Immersion Day

Children will be creating pictures of jungle animals using Mola art inspired by the Kuna people of Panama.

Session 2: Science: Seedlings

LO: I am learning to describe the process of reproduction of a plant.

Planting seeds and cuttings so we can observe them reproducing with pollinating.

Session 3: Art: Wonderful Wax.

LO: I am learning to use wax, with precision, to create effects on material.

Children to use wax to draw their design onto material.

Session 4:

LO: I am learning to combine wax and dye techniques to good effect.

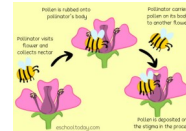

Children to paint over their wax designs with dye.

Session 5: Science: Plant reproduction.

LO: I am learning to describe how a plant reproduces.

Drawing and labelling a plant to explain how pollination help it

Session 6: : Art: Effective Evaluating.

LO: I am learning to explore the effect of different mediums on material - iron off

wax and can evaluate effectively. Children to iron off the wax and evaluate their design and

Session 7: Science Week: Scientist Study

LO: I am learning to understand the work of a key Scientist.

Year 5: **Becky Schroeder**

Year 6: **Marie Maynard**

Session 8: Science: Animal Life-Cycles

LO: I am learning to describe the process of reproduction of some animals.

Present the life cycle of different animals to the class.

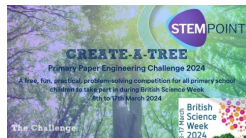

Session 9: Science Week: Time.

LO: I am learning to understand 'time' by undertaking a practical activity linked to the theme of Science Week 2024.

Session 10: STEM-Create a tree challenge

Children to use four pieces of paper to create a 3D tree. The winners will be entered into the STEM competition.

Session 11: Science: Life Cycles.

LO: I am learning to describe the difference in life cycles of different types of animals.

Research the life cycles of different animals and then

Session 12: Geography: Amazing Amazon

LO: I am learning to understand why rainforest zones are grouped as they.

Rainforest location linked to weather.

Session 13: Geography

Destructive Deforestation

LO: I am learning to understand the effects of trade and economic activity on natural resources.

Session 14: Science: Human Life-Cycles.

LO: I am learning to describe the changes as humans develop to old age.

Draw the life cycle of humans, noting major changes throughout life.

The Human Life Cycle

Session 15: Geography Combatting Deforestation.

LO: I am learning to understand how economic activity can work in harmony with the environment.

Creating a poster with suggestions of solutions for deforestation.

Session 16: Fair Trade

LO: I am learning to understand how Fair Trade has an impact on the environment.

Children introduced to the idea of Fair Trade and what it means to farmers in South America.

Session 18: DT: DT: Pizza: Making and evaluating.

LO: I am learning to select and use a wide range of materials and components.

Children to go to Pizza Express to make their pizzas.

ICT:

Unit 5.5 Game creator

Unit 6.4: Blogging

Artist Day

William Turner

1775-1851

P:E:

Year 5: Swimming (Elder)
Gymnastics (Birch) Badminton.
Year 6: Tag Rugby and gymnastics

R.E:

Christianity:

Should believing in the resurrection
Change how Christians view
Life and death?

Music:

Year 5: Nuvo Doods

Year 6: Charanga

P.S.H.E

Year 5: Anger children and adult views

Year 6: Worry

French:

Year 5: Habitats
Year 6: Irregular verbs
