May 2024 Newsletter

Dear Parent/Carer,

The year seems to be running away with us and we have so much to do in the summer term. I always smile when people ask if we start to wind down in the summer. The truth is, we are busier than ever teaching and assessing as well as making sure all children get a great transition whether it is to high school, the next age phase or next class. On top of this, we are looking forward to welcoming new children into our Nursery and Reception.

In May, our Year 6 children sit their SATs. They have all worked so hard with the teachers and they deserve to be successful. We are all looking forward to the many exciting activities we've planned for them as 'Leavers'.

If you'd like to find out more about how you could help within school, please contact enquiries@forestacademy.co.uk and we will get back to you. Forest Academy takes safeguarding very seriously and we carry out DBS checks on all volunteers.

Best wishes,
