Monster Multiplication

Dear Parents/Carers,

This year, we are excited to launch our new initiative for the Key Stage Two children to collect awards and prizes for their Times Table knowledge and to encourage practise both at School and home.

On Purple Mash, within the Maths section, there is a section called Monster Multiplication – see below.

By accessing this, the children can practise their Times Tables and collect fruit to grow and develop their 'Monsters.' Any child who reaches Level 10 will receive a certificate (Bronze) in our weekly, class, Celebration Assemblies. Level 20 will receive a Silver certificate, Level 30, a Gold Certificate, Level 40, a Platinum certificate and Level 50 a Diamond certificate.

All the children will have time to use this programme within Maths lessons but we would also like to encourage practise at home – as part of Home-learning. As an additional incentive, each time a child achieves a certificate, they will receive a small, monster-themed prize.

We hope you will encourage your child to log-on to Purple Mash to practice their Times Tables and to earn their certificates and we thank you for your ongoing support.

Best wishes, Miss Morley. Deputy Headteacher.
