February 2024 Newsletter

Dear Parent/Carer,

Many parents have told me that a monthly newsletter helps them to feel part of the school community, so here is a brief update. Don't forget to look at Facebook to see all the photographs of your children learning and having fun at school. If you don't have a Facebook account, don't worry, you can still access the content by following the link on our website.

January has been a very exciting month, which is just what we need on the cold, dark days. The Year 6 children loved their residential visit and I am sure the Year 5 children are excited to know what Mrs Egan and Mr Baxter are planning for next year. We took a group of children to the O2 to perform with the Young Voices Choir. This is a spectacular event and every child should consider going when they have the opportunity.

It has been lovely to have our Thrive sessions so well attended and the SEND forums have been very successful. We have many other events planned throughout the year so that all parents/carers can come into school and work with us to provide the best possible education and care for our children. Next week, you will be invited to book an appointment with your class teacher to discuss their learning. We will also be sending out information to explain the attainment information you can see on your Arbor App.

We regularly send out the 'Dates for the Diary' and this document is updated as new information becomes available. Here are the main events for February:

February

- Friday 2nd: NSPCC, Numbers Day
- Monday 5th: Swimming Gala Year 5 and 6
- Tuesday 6th: Year 2 Family Thrive Session 2pm
- Tuesday 6th: Safer Internet Day
